TELANGANA SOCIETY OF CARDIOVASCULAR TECHNOLOGISTS

2nd, 3rd & 4th of October 2026

AVASA Hotel, Hyderabad

SHAPING THE FUTURE OF CARDIOVASCULAR TECHNOLOGY

President's Message

Dear Colleagues,

It is with immense pride and great pleasure that I welcome you to TSCVTCON-2026, the first All-India Conference of the Telangana State Society of Cardiovascular Technologists, to be held on 2nd & 3rd October 2026 at AVASA Hotel, Hyderabad.

This conference represents a significant milestone in our journey to strengthen the professional identity of cardiovascular technologists across India. As cardiovascular science continues to evolve rapidly, our responsibility to remain updated with emerging technologies, advanced procedures, and evidence-based practices has never been greater.

TSCVTCON-2026 has been thoughtfully designed to provide a dynamic platform for scientific learning, skill enhancement, research presentation, and meaningful interaction with leading experts from across the India. The conference will feature an enriching programme covering coronary interventions, structural heart disease, electrophysiology, cardiac imaging, vascular interventions, and the latest innovations in cardiovascular technology.

Beyond academic excellence, this conference is an opportunity to build lasting professional relationships, exchange experiences, and inspire the next generation of cardiovascular technologists.

I extend my sincere gratitude to our organising committee, faculty members, sponsors, and partners for their invaluable support in making this conference possible.

I warmly invite each one of you to be a part of this milestone and contribute towards advancing cardiovascular technology and improving patient care.

I look forward to welcoming you all to Hyderabad.

With warm regards,

Arun Kumar Gunti
